ADVICE OF RIGHTS FOR ADULTS

YOUR RIGHTS

Before we ask you any questions, you must understand your rights:

- You have the right to remain silent.
- Anything you say can be used against you in court.
- You have the right to talk to a lawyer for advice before we ask you any questions and to have the attorney with you during questioning.
- If you cannot afford a lawyer, one will be appointed for you before any questioning if you wish.

If you decide to answer questions without a lawyer present, you will still have the right to stop answering at any time. You also have the right to stop answering at any time until you talk to a lawyer.

WAIVER OF RIGHTS

I have read this statement of my rights and I understand what my rights are, I am willing to make a statement and answer questions. I do not want a lawyer at this time. I understand and know what I am doing. No promises or threats have been made to me and no pressure or coercion of any kind has been used against me.
